RE: Status Update Week ending August 7, 2011

Dear Mr. Beeman:

As requested, the following is a status update for the week ending August 7, 2011 for the activities relative to the work performed by McKim & Creed, P.A., MACTEC Engineering & Consulting, Inc. (MACTEC), Morrison Engineers, PLLC (Morrison), and Crowder Construction Company (Crowder). This update is not intended to be all inclusive, but a brief summary of the major activities and milestones.

1. Held Team conference calls and meetings.
2. Continued the work associated with preparing a revision to the design concept for the Town to consider as a restoration option for the dam and lake.
