RE: Status Update Week ending August 21, 2011

Dear Mr. Beeman:

As requested, the following is a status update for the week ending August 21, 2011 for the activities relative to the work performed by McKim & Creed, P.A., MACTEC Engineering & Consulting, Inc. (MACTEC), Morrison Engineers, PLLC (Morrison), and Crowder Construction Company (Crowder). This update is not intended to be all inclusive, but a brief summary of the major activities and milestones.

1. Held Team conference calls and meetings.
2. Attended a meeting with the Town of Hope Mills staff and their consultants in Raleigh to present an updated concept plan to the North Carolina Department of Environment and Natural Resources, Division of Land Resources, for consideration as a restoration option for the dam and lake.
